MAXIMILIANS-  
UNIVERSITÄT  
MÜNCHEN

DEPARTMENT FÜR PHARMAZIE -  
ZENTRUM FÜR PHARMAFORSCHUNG  
PRÜFUNGSAUSSCHUSS PHARMACEUTICAL SCIENCES

**Evaluation for the Bachelor Thesis**  
of the university course of  
**Pharmaceutical Sciences**

-----  
Author of the thesis

-----  
Title of the thesis

-----  
Supervisor

-----  
Start Date

-----  
Submission Date

**Work Process**

**Evaluation**

Motivation

- Dedication (Enthusiasm? Interest?)
- Work effort

++	+	±	-	--

Self reliance when working on the thesis– creativity

- Own ideas- developing a solution process
- Literature research
- Implementation of ideas

--	--	--	--	--

Firmness of purpose and persistency

- Dealing with problems

--	--	--	--	--

Practical work

- Way of working (clean, precise, fast?)
- Independency
- Aquiring new methods

--	--	--	--	--

Lab protocol

- Experiments understandable and reproducible according to records

--	--	--	--	--

# Written Thesis

## Form

Layout

- Type face and page layout
- Figures

Language

- Spelling/grammar
- Terminology (Usage of technical language?)
- Linguistic accuracy/clarity

Citation technique and bibliography

## Evaluation

++	+	±	-	--

--	--	--	--	--

--	--	--	--	--

## Content

Systematic structure of the thesis

- arrangement
- line of argumentation
- reader guidance

Drawing of a problem and presenting the aim

Theoretical background

Data and results evaluation

- Analytical thinking

Graphical conversion (Tables, schemes, etc.)

Interpretation and discussion of results

Summary and assessment of results

Experimental part

- Complete? Understandable?
- Precise? Correct?

## Evaluation

++	+	±	-	--

--	--	--	--	--

--	--	--	--	--

--	--	--	--	--

--	--	--	--	--

--	--	--	--	--
